

The background is a dark blue gradient with a subtle starry pattern. On the left side, there are several overlapping circular elements. A prominent one is a large circular scale with tick marks and numbers ranging from 140 to 260. Other circles are partially visible, some with dashed lines and arrows, suggesting motion or data flow.

ASSISTIVE TECH: THE FUTURE

LONDON BOROUGH OF HAMMERSMITH AND FULHAM

FUTURE CHALLENGES

- Raising the profile of technology enabled care – tech is still very much an afterthought
- Cost effective digital technology – sim cards for all? Who can afford that?
- Predictive technology – the button and box just doesn't cut it any more
- Social isolation and digital – how can we support residents to have a safe and beneficial online experience?
- Smart cities and social care – how do LA's maximise their investment for the benefit of most residents?
