Who's Heard These A2D Strategies

- Upgrade and Replace Everything.
- Use the Cloud.
- There Are Standards Now so Everyone is Compatible.
- We Can Put a Plan Together For You.
- We Have Been Here Before Remember 21CN?
- Existing Equipment will Work, But Not as Reliable!
- You Have Lots Of Time to Get Thing Done!
- We Understand Your Issues and Should be Your Chosen Partners.
- Don't Do Anything Yet.

How Can We Make A2D Simple?

What Is The Issue?

- Older Schemes Will STOP Working Anytime Soon
- Action Done Already Is Not Wrong
- No Action Is Not An Option
- Lots Of Options To Choose From, Too Many?
- There Will Always Be Better, So How Do I Get The Timing Right?
- Do Not Panic, But Do Not Delay.
- This is Real, But I Will Not Tell You What To Do.

What's the Problem?

Analogue Will End

- When For Me?
- How Will I Know?
- How Do I Switch?
- I Don't Have The Same Kit
- Will My Customers Cope
- How Complicated A Business Case Will I Have To Produce?

Digital Is The Future

- What If Something Better Is Launched
- How Do I Switch?
- How Quickly Can I Switch?
- Will I Be Tied TO One Supplier
- Will I have the Money to Get It Done In Time
